Psalms 24:1-4

REFLECTION

Which aspects of the Lent reflections matter to you most?

CHALLENGE

From what you've taken from this Lenten devotional, what changes can you make in your life or the life of your household —in what products you buy or don't buy, in how you use energy, or in how you travel — that will be steps in caring for God's creation?

LEARNING

[Read how the climate crisis creates food insecurity and environmental injustice.](#)

POETRY

Be still, and listen to the day
Touch the breeze with the quiet in your soul.
Let the turning turbulence of the hurly-burly rushing
and the busy, dizzy people
Who never waste a second, pass you by.
God will bless you with the quiet whisper,
Which in all the day's doing keeps a calm silent
center in your being.

PRAYER

O God,
Heal and restore us
That we may live gently on earth
And all creation praise you,
The Living God,
Father, Son, and Holy Spirit.
Amen.^[ii]
