

# KENILWORTH UNION CHURCH

October 23, 2022

“I am grateful to Kenilworth Union because I’ve met new friends,” said JB, a sixth grader involved in the Youth program. We feel blessed to be able to say the same, and perhaps you can, too, because at Kenilworth Union Church, you have discovered kindred spirits in people who love and seek to serve God and others. This is a holy community.

And it is a community sustained by your gifts of time, skills, compassion, and, as we are reminded with humility and gratitude during the annual **All of Me, All of Us Stewardship** Campaign, financial resources.

Our goal is 100% participation across the congregation because all of us are critically important to the strength and impact of Kenilworth Union Church. As you reflect on this year’s **All of Me, All of Us Stewardship** Campaign, with a goal of \$2.3 million, we hope you will prayerfully and intentionally consider your pledge. What does giving your “all” mean as a member of this holy community?

We ask that you please confirm your pledge by Friday, November 20 via the pledge card mailed to you or online at [kuc.org/give/stewardship](https://kuc.org/give/stewardship). Alternatively, you may contact

**John Sharp** with your commitment. Pledges are payable between now and the close of the church fiscal year on June 30, 2023.

Thank you for the ways you love and serve God and others. We are grateful to be part of this community with you. Thank you for your thoughtful consideration.

Faithfully,

**William A. Evertsberg**  
Senior Minister  
847-853-2001

**Chris Beer**  
Stewardship Co-Chair

**George Wishart**  
Stewardship Co-Chair

Online payments may be made by scanning this QR code with your mobile device.

KENILWORTH UNION  
CHURCH

At Kenilworth Union Church, encouraged by Micah 6:8, we seek to do justice, love kindness, and walk humbly with our God. Our Stewardship Campaign theme All of Me, All of Us recognizes this invitation to dedicate both our individual selves and our collective church community to doing God's work.

All of Me,  
All of Us

Thanks to your generous gifts, Kenilworth Union keeps serving, teaching, and ministering with impact:

**312**

is the 52-week worship attendance average, online viewership has trended lower as in-person attendance has increased

**39**

adult new members joined over the past thirteen months

**35**

kids, staff, and chaperones connected, played, and sang at the Music Ministry Lock-In in August

**40**

volunteer Sunday School teachers are growing the next generation of Christians

**264**

people either provided or recieved care from: Stephen Ministers, care receivers, Care Guild Volunteers, members in need

**558**

hundred thousand raised through Outreach to serve thousands of people at 40 local agencies

**594**

of you pledged \$2.1 million to sustain the church in the last fiscal year

*Thanks to All of Us, God's work continues within and far beyond this beloved community. Please pledge today to this year's All of Me, All of Us Stewardship Campaign.*

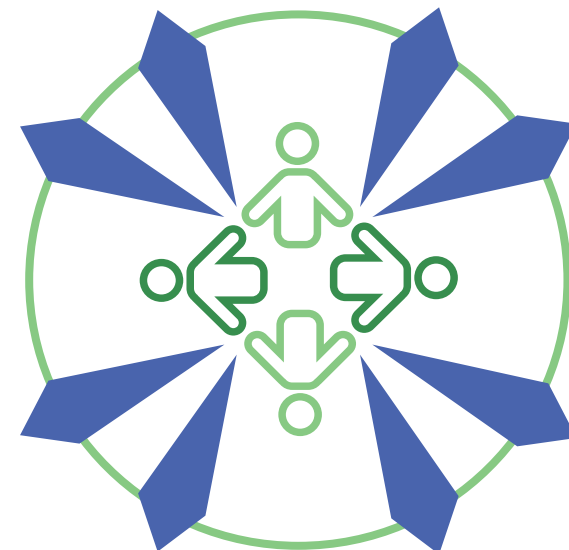

The All of Me, All of Us Stewardship Campaign funds the daily operating costs of the church, from the basics like utilities to the more impactful like minister salaries. Pledges to the annual All of Me, All of Us campaign are collected and largely deployed in the same fiscal year they're made.

Separately, please note that the capital campaign is a separate initiative that will support major infrastructure investments for the church, with contributions fulfilled and expenses incurred over multiple years. Please consider participating in both campaigns.

To learn more, please review the 2022 Annual Report by scanning this QR code with your mobile device.
